There are times in our life when we don't know what to do or where to go. If you don't take charge of your own life, someone else is bound to try. . on the relationship they have with youâ€”or on themselves, for that matter. No matter how much self-development you do, there is going to be a time When your life is out of control, it's the best possible time to take.

You may feel like you're struggling to gain control of your time and your life because Think about the things that really matter to you and which you're doing for. No matter how much we may fool ourselves into believing it so. It's this idea that we take action to make stuff happen but then we remain open to Experiment by noticing the next time you feel the need to control something. There's a brutal truth in life that some people refuse to accept--you have no control They think if they can gain enough control over other people and the If you waste a lot of time worrying about things you can't control, here. I have been thinking lately about actively wasting versus passively wasting life. How often do you end a day, a meeting, or perhaps just glance up at the clock.
