

Excerpt from Chinese Gordon: A Succinct Record of His Life The good fortune has never come to me to know General Gordon, and this little volume makes no pretence to be anything more than a compilation and an abridgment. There are two authoritative works on General Gordons career - Dr. Andrew Wilsons Ever Victorious Army, and Mr. Birkbeck Hills Colonel Gordon in Central Africa; which last has a special value, consisting as it does for the most part of General Gordons own letters to relatives and friends, with admirably written linking chapters by Mr. Hill. I have acknowledged the quotations made from Mr. Egmont Hakes volume, which are taken only from the few passages of it which are not, as is my own work mainly, a digest of the two original works named above. My sole aim has been brevity and lucidity. This little volume aspires to be simply a handy-book - I hope for the many - to the life of a great man in whom at present we have all a burning interest. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
