

Global Revival – Worldwide Outpourings documents forty-three visitations of the Holy Spirit and includes revivals in Asia, Africa, Europe, North & South America, Australia and Oceania. Global Revival spans four centuries and features revivals from thirty countries, from Argentina to Australia, Estonia to Eritrea and Jamaica to Japan. Discover some of the greatest revivals from around the globe that you’ve probably never heard of, from Canada to China and from Egypt to Zimbabwe. Learn about the amazing outpourings that have taken place around the world in our lifetime and how the Holy Spirit has moved in visitations from the past. The author explores the nature and concepts of revivals and poses the questions: How did the revivalists see revival? Can we see revival today, and if so how? He explores the Divine-human partnership of revival, explains how revivals are birthed and reveals the intriguing links between evangelism, missions and Christian revival. Discover the thirteen waves of missions within Christendom and how evangelism and revival were integral forces to these movements. Find out how men and women participated in life changing events as they pursued God for the “greater things” in a spirit of holiness, in their fulfilment of the Great Commission. This book contains forty-three documented accounts of revivals from across the globe, plus an overview of more than thirty revivals from the Holy Bible! God has so much more for us, if we are willing to meet His conditions and pay the price. Learn from the past, be challenged for today and be inspired for the future!
