

Indias 2009 Elections is an inquiry into the 15th General Elections of India. It explores how the elections played out, what factors influenced the electorate, and how the elections are an important contribution to Indias democracy. Authored by renowned scholars and analysts from various backgrounds, the collection of articles critically examines multiple areas of the Indian polity. According to the contributors, the public outcome of the 2009 elections indicated a demand for integrity, continuity, and competence?values that were considered almost obsolete in todays political scenario. At the same time, the contributors admit to problems in structure, providing for minority cultures, stability, and contentious public policy issues.
