First edition. Fifteen essays exploring the interconnections between verbal works and the physical objects (primarily manuscripts and printed books) that transmit. Literary Artifacts: Why Children's Books Matter. Five months before my son Joshua was born, I began reading to him at bedtime; it was my first. Each month in the Literary Artifacts space, writer Kristopher Jansma writes about his encounters with rare books, writerly memorabilia, and. Literature and artifacts / G. Thomas Tanselle. Main Author: Tanselle, G. Thomas Language(s): English. Published: Charlottesville: Bibliographical. Objects & Artifacts. We will examine how literary and visual texts portray object culture, how they explore the accumulation and traffic in artefacts, and how they dramatize the formation and transformation of value. Inspired by this recent development, we got to thinking about some fictional items from literature that we wish were real "and we're talking real.

Oral histories can serve a dual role in the classroom: as a type of literature to be studied in itself and as artifacts that help explain other literary works. This session focuses on how folk songs, interviews, and other oral histories provide alternative views of a text's cultural setting.

Download Citation on ResearchGate On Mar 1, , Peter L. Shillingsburg and others published Literature and Artifacts G. Thomas Tanselle }. This manuscript describes how innovative literacy practices such as multigenre writing and artifactual critical literacy have been used to tap into.

While still an undergraduate I embarked upon an odd quest while poring through some dense collections of literary criticism. I started noting. Artifacts & Fiction is a professional development workshop series, which guides teachers through pairing primary source materials with American literature texts.
