

Mauritania 1: 1,750,000 Geographical Travel Map GIZI 2009 This map covers Mauritania and Western Sahara with excellent topographic information and a street plan of central Nouakchot indicating main public buildings, hotels and various facilities. Vivid altitude colouring with graphics for deserts, flood plains and salt flats shows the terrain. Oases, water wells and numerous spot heights are marked and the map provides plenty of names of geographical features: peaks, mountain chains and rock outcrops, plains, etc. Road network shows distances on main roads and includes dirt tracks. The map also shows locations of local airfields and the route of the iron ore railway line from the mines at Zouerat to the coast. Symbols highlight various places of tourist interest including world heritage sites, forts and archaeological remains, national parks and protected areas, beaches, etc. Names of main towns and important geographical features are also given in Arabic. Internal administrative boundaries are shown with names of the provinces. The map had latitude and longitude lines at intervals of 1°. Map legend includes English. The index lists separately locations in Mauritania, Western Sahara, plus the adjoining regions of Mali and Senegal.
