

Dakota Frances moved to Texas to get away from a cheating fiance. The last thing she needs is to fall for a local rancher, but Cody Miles's™ charm and hard body keep drawing her in. When she finds herself in the throes of a matchmaking pool party and Cody parading around in all his sexy glory, she reconsiders. What can one quickie hurt, especially with a third party to distract her from falling for Cody? But will the distraction be enough, or will the menage prove there's™ only one cowboy for Dakota?
