

Antolini Luigi is a world leader company in the production of natural stone. The love for the stone and the great respect for its beauty combined with Antolinis belief in leadership, entrepreneurial mentality and attention to new technologies have allowed the company to rapidly grow, transforming it into one of the major players in this industry, where competition in the markets is extreme and the supply is diversified. Antolinis wide range on offer includes more than 1000 materials. Products that enchant for their elegance and range of colors, and that are the result of the extensive research conducted to introduce the customer to something different, new, and, especially, unique. Founded in 1956 by Luigi Antolini, with its head office in Sega di Cavaion in the Verona region, the company today covers an area of more than 200,000 square meters, of which 40,000 indoor. With 1.5 millions of square meters of product each year, a daily production of 6,000 sq.m. and 30 owned or for exclusive use quarries in the world, it employs more than 200 people.
