

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Sea life in Nelsons time, Using Facebook Groups For Your Family History & Genealogy, Amour impossible...: ...quand lamour devient une drogue! (French Edition), Professional Destiny: Discover The Career You Were Born For, People Skills for Library Managers: A Common Sense Guide for Beginners,
