

â€¢ The first two books in Joseph Altshelerâ€™s French and Indian War Series are in this Kindle eBook: The Hunters of the Hills & The Shadow of the North 1. The Hunters of the Hills This is the first of six volumes dealing with the great struggle of France and England and their colonies for dominion in North America, culminating in the fall of Quebec. It is largely concerned with the Iroquois, the mighty league known in their own language as the Hodenosaunee, for the favor of which both French and English were high bidders. Altsheler notes that he consulted many authorities, and was not conscious of any historical error. 2. The Shadow of the North The Shadow of the North, while an independent story, in itself, is also the second volume of the Great French and Indian War series. All the important characters of the first romance reappear in the second. About The Author American author Joseph A.
