

Do you know what the difference is between an overachiever and a corpse? What the former calls a resume, the latter recognizes is an obituary. An overachiever believes that if he or she only looks hard enough, seek diligently enough, reflects long enough, and, it goes without saying, suffers enough, that happiness and success will eventually come. This book is for the overachiever who has come to recognize the fallacy of this belief, and wonders, what now? This book is about everything else there is in life, aside from awesomeness and achievement. This book is for the overachiever who knows some really awesome people, and exactly for that reason, doesn't want to be them. This book is not going to tell you anything you don't know. It is only going to tell you what you already know but haven't yet heard. This book is not meant for the fearless daredevil, those unique individuals who don't care if they die young or old, alone or among loved ones. This book is an investment book, not a how-to-gamble book. Glass of happiness, anyone?

Cliffords Happy Easter, Trader Horn Being the Life & Work Horn, Look At Body: Lungs (Look at Your Body), The Wilderness Gourmet: Recipes from the Wild, Medical Dictionary: English - Spanish - Portuguese / Espanol - Ingles - Portugues / Portugues - Ingles - Espanhol (English and Spanish Edition), Worlds War Events 3 Volumes, Cryptography, The Pleasures of Ikebana,
