

What is social policy? Why is it important to you? Social policy is the means by which we improve the welfare and well-being of society. It determines how we support and care for disadvantaged people, who educates our children, why some countries have free healthcare, when people receive benefits, and what we should do about poverty, homelessness, ill-health and a multitude of other social problems and inequalities. This short but systematic introductory text offers a clear and concise overview of the five pillars of social policy: social security, employment, education, health, housing. Specifically designed for students who are new to the study of social policy, this short guide: outlines the basics of social policy explains key policy goals and how welfare is delivered uses case studies from around the world to illustrate key debates and explore policy dilemmas highlights key terms and concepts throughout provides readers with quick reference summaries and guides to further reading. Whether starting a degree in social policy or studying a single module in the subject at any level, this clear and accessible guide, written by experienced authors and teachers, is indispensable reading.

Arithmetic of Finite Fields (Chapman & Hall/CRC Pure and Applied Mathematics), Market Research in Action, Macacos pranks: a long tailed tale, Paradise Lost: A Poem in Twelve Books, A Tour in Ireland: With General Observations On the Present State of That Kingdom: Made in the Years 1776, 1777, and 1778. and Brought Down to the End of 1779, Volume 1, Handbook of Global Supply Chain Management, Statistics with Confidence: An Introduction for Psychologists (SAGE Foundations of Psychology series), Having Twins and More: A Parents Guide to Multiple Pregnancy, Birth, and Early Childhood -- Third 3rd Revised Edition, with a Foreword By Louis Keith, Sick Heroes: French Society and Literature in the Romantic Age 1750-1850 (Exeter Textes Litteraires),
