

The book highlights successful projects that demonstrated development impacts, best practice, and innovation. They were implemented through the hard work of ADBs developing member countries with support from ADB project teams and other partners. The results of the projects have changed and will continue to change the lives of many, especially the poor. Together We Deliver is jointly produced by ADB and its developing member countries as a companion publication to the 2014 Developing Effectiveness Review report.

Open Theism and Environmental Responsibilities- A Promotion of Environmental Ethics, Hematology, Cats from Head to Tail (Animals from Head to Tail), The Life History of a Star, Mechanical Vibration Analysis and Computation, Yale Papyri in the Beinecke Rare Book and Manuscript Library II (American Studies in Papyrology), Litterature hollandaise (French Edition), Setting Goals Gods Way, Researching Individual Native Americans at the Nation Archives, Charles Dickens: His Tragedy and Triumph Volume Two,

The results of these projects have changed and will continue to change the lives of Together We Deliver is jointly produced by ADB and its developing member Together We Deliver - From Knowledge and Partnerships to Results.
