

Unbelievably, Alfreda D. Ghee has only been writing Poetry for a little under one year. To say she is a "Quick Study" is an understatement. In such a short period of time she has garnered an extensive following of readers who find that her special Poetic Way of expressing herself is meaningful to their own personal experiences. Alfred aka Freddi bares her heart within the lines of her poetry to include her Joys, her Disappointments and all aspects of her own challenges when it comes to Love. She writes extensively on Relationship, which encompass her Desires and her Experiences. There is a quiet wisdom that seeps through the lines of her verse that will touch you the Reader. . . . Enjoy !
