

William Carleton, Ireland's great but overlooked nineteenth-century writer, has for the past 150 years been denigrated as a failed novelist, but is here redeemed by David Krause's in-depth study of all his significant novels. Carleton employed techniques similar to the multi-voiced carnival (where oral folk tradition combines sacred with profane and the great with the insignificant) and mock-heroic version of pastoral (where comic characters make profound remarks and whose actions have unanticipated great effects). Through his novels, Carleton illuminated the exploitation of Irish lands by indifferent British authorities and rackrenting Anglo-Irish landlords and subsequent famine and holocaust. Krause's recognition of this ignored author of Irish fiction is a valuable addition to the field of Anglo-Irish literary studies.

The Pianist: The Extraordinary Story of One Man's Survival in Warsaw, 1939-45 by Szpilman, Wladyslaw New Edition (2002), Greenes Bible Study Guide, Linear Algebra for Undergraduates, Economics of SRI Farms in Tuticorin District, Yakuza Moon: Memoirs of a Gangster's Daughter,
